PRODUCT DESCRIPTION

Introducing the Lumiere Light Wall! A combination of innovative silicone-edge graphics and RPL fabric pop ups offers an easier and more cost effective SEG option. This SEG style display has the depth of the RPL so you can expose more of your message using endcap graphics. The Lumiere shrinks down in size - simply collapse the geometric frame and the SEG bungeed channel bars, and fold or roll the fabric graphics. Setup can be done by 1 person and in 5-10 minutes. SEG portability is easy and stylish.
