## PRODUCT DESCRIPTION

One Choice 14ft. Large Feather Flag w/Spike Base is a great height for garnering attention outdoors. Custom printed on polyester mesh by the process of dye sublimation, inks heavily saturate the material to create a “bleed-through” visual effect for single-sided prints, and double-sided prints are finished with a silver-gray blocker that lays between. Black flag trim is sewn on graphic for easy pole insertion. A set of grommets installed on lower trim receives the short bungee cord (included) through its loop and snugly attaches the graphic to the base. Insert spike base into grass.
