

Formulate Counter - Pillar

W-01-C

Formulate™ counters couple lightweight hardware with printed stretch silicone edge fabric graphics (SEG) to create funky and functional reception stands. Tables and bases are available in four colored finishes – silver, black, mahogany and natural. Custom sizes also available.

We are continually improving and modifying our product range and reserve the right to vary the specifications without prior notice. All dimensions and weights quoted are approximate and we accept no responsibility for variance. E&OE. See Graphic Templates for graphic bleed specifications.

features and benefits:

- Printed stretch silicone edge fabric graphics (SEG) for a custom look
- Counter supports 25 lbs. of weight on center
- Choice of four finishes for table and base
- Kit includes: frame, dye-sublimated fabric graphic, top and base, and wheeled molded OCH2 storage case
- Lifetime hardware warranty against manufacturer defects
